

ACKNOWLEDGEMENT

I would like to express my deepest appreciation and gratitude to Dr Aasha Kapur Mehta, of the Indian Institute of Public Administration for providing valuable guidance in undertaking this study. She spared valuable time from her busy schedule to guide and supervise me at every step.

I am also very thankful to the staff of the APPPA office and the IIPA library, for facilitating my efforts at going through the books and journals for the purpose of this study. I also acknowledge the help extended by my friends, colleagues and the staff working in the Directorate General of Foreign Trade (hqrs.), the Central Licensing Authority (the CLA), the PGIMER (Dr RML Hospital) as well as the Indian Institute of Public Administration (IIPA), in providing valuable inputs & information.

My heartfelt special thanks to my husband Siyasharan, son Aditya, daughter Shivangi, my Maa Smt, Meena Sinha & Papa Shri A. K. Sinha, who always challenged me to go through the APPPA programme with the enthusiasm of a true student. Without their support and encouragement this dissertation could not have been possible.
