

## ACKNOWLEDGEMENT

At the very outset, I would like to convey my sincere gratitude to the Department of Agricultural and Cooperation for nominating me for the 36<sup>th</sup> APPPA, which made it possible for me to pursue this research.

I would also like to express my profound gratitude to Prof. Anil C. Ittyerah for his valuable advice, constant support and guidance in preparation of my dissertation.

A very warm thanks to my colleagues and Senior Officers of Department of Agricultural and Cooperation for their valuable input and encouragement. Last but not the least, my sincere thanks to the Administrative Staff of APPPA, IIPA for their positive and timely administrative support in compilation, completion and submission of this project.
