ACKNOWLEDGEMENT

This research study is the result of effective contribution of many individuals and I take this opportunity to acknowledge the role of each and every person who helped me in my endeavor of accomplishing this task. The study required compilation of lot of primary information that was collected from various government offices and sites.

At the outset I express my sincere thanks and appreciation for my guide Dr. Sachin Chowdhry for his earnest involvement at every stage of the process and giving me invaluable suggestions that helped shaping the sketchy ideas from infancy to an authentic research document in its present form.
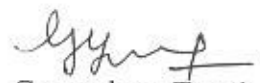

I have deep regards and gratitude towards the Programme Director Prof. Sushma Yadav who has been a constant source of inspiration and always forthcoming in extending all sorts of help, as and when required. I express my heartfelt thanks to the Associate Programme Director Dr. C.Sheela Reddy for her positive and encouraging disposition. All members of faculty at IIPA deserve appreciation for their constant cooperation and encouragement. I would also thank the APPPA staff, particularly Shri Manish Rawat, for taking care of all administrative requirements.

I sincerely acknowledge the precious tips given by the Librarian Dr. Usha Mujoo Munshi, on dissertation writing, and the other library staff for facilitation and wholehearted support whenever required.

I consider it obligatory on my part to thank all the officials of Ministry of Road Transport and Highways, National Highways Authority of India, Maharashtra

State Road Development Corporation and Gujarat State Road Development Corporation along with the representatives of private companies like, Noida Toll Bridge Company Ltd, Noida, IRB Infra Co. Ltd, Mumbai, L&T Chennai who helped me collect the primary data required for the research.

Last but not the least I am grateful to my wife Poonam and daughter Akanksha for their continued support and encouragement. I specially thank my son Aryan for helping me in IT based graphics work required for the dissertation writing.
