

ACKNOWLEDGEMENTS

I wish to express my deepest gratitude to my guide Dr. Roma Mitra Debnath for her support and invaluable guidance at every stage during the course of this dissertation. It was indeed a very beneficial learning experience for me to work under her supervision.

I am also extremely grateful to the Chairperson, Competition Commission of India as well as the officers of the Combination Division for providing me with access to relevant data and necessary support, to undertake the dissertation work.

I wish to place on record my sincere gratitude to Director, IIPA for giving me the opportunity to undertake this research which has helped me to enhance my knowledge on the subject.

I am also thankful to the programme director, Prof. Sushma Yadav of IIPA for her kind encouragement and support

Finally, I would also like to acknowledge the support of the administrative staff of the IIPA office.
