

ACKNOWLEDGEMENT

I would like to place on record my profound gratitude to all those who patiently answered my repetitive and irritating questions, who advised me on the nuances of research, who gave me new ideas and to those who helped me in formulating my thoughts. I would like to extend a special thanks to the following, who extended immense help and support during the research work.

(a) Dr Manan Dwivedi, Assistant Professor, IIPA, who has guided me throughout the research work.

(b) My colleagues of APPPA 42 who were a constant source of encouragement.
