

Table of Figures

Figure 1 : Global out-of-school rate for children of primary and lower secondary school age, 2000-2012	13
Figure 2: Number of out-of-school children by region and sex, 1990-2009	36
Figure 3 : Countries with more than 500,000 children out of school, 2009	36
Figure 4 : Proportions of out-of-school children (6-13 years) by gender and age	44
Figure 5 : Proportion of children attending schools by age and class enrolled	45
Figure 6: Cumulative dropout rates during primary and upper primary stages	47
Figure 7: Proportions of children who have dropped out at the end of different grades	47
Figure 8 : Overage Children in Class 5 (National)	48
Figure 9 : Overage Boys and Girls in Class 5 (National)	49
Figure 10 : State with Children with Age Differential in Class 5	49
Figure 11 : State with Children with Age Differential in Class 7	50
Figure 12 : Overage Children Class 7 (National) - Urban and Rural and Authority Wise	50
Figure 13 : Age Differential of Enrolled Children in Elementary Education 2011-12	51
Figure 14: Percentage of Schools that conducted ST in 2010-11 and 2014-15	55
Figure 15 : State wise trends of conduct of ST by Schools over the Years 2010-15	56
Figure 16 : Trend over Years 2010-15 - Schools conduction ST in Rural and Urban Areas	56
Figure 17 : Government and Private Participation in ST- 2010-11 and 2014-15	57
Figure 18: Schools not Approachable by all Weather Roads but still impart ST- 2010-11, 2012-13 and 2014-15	58
Figure 19: Special Training Location - 2010-11 and 2014-15	58
Figure 20: Schools having Special Training Staff- - 2010-11, 2012-13 and 2014-15	60
Figure 21: Trends in Number of EV - 2010, 2013 and-2015	60
Figure 22: Trends in Training of EVs - 2010, 2013 and-2015	61
Figure 23: School with or without TLM - 2010, 2013 and-2015	62
Figure 24: Trend in Rural/Urban School with or without TLM - 2015	62
Figure 25 : Trend in Govt/Private School with or without TLM - 2015	63
Figure 26: State-wise trend of Children completed ST -2011-15	64
Figure 27: State-wise Yearly School Average of Children completed ST -2011-15	65
Figure 28: Government versus Private agencies conducting ST (total of 2011-15)	66
Figure 29 : Average ST Students per ST Teacher in Rural Government School - 2011-15	67
Figure 30: Student who underwent ST without TLM - 2011-15	67
Figure 31: Students trained in Residential / Non Residential Mode - 2011-15	68
Figure 32: Children completed ST -2011, 2013 and 2015	68
Figure 33: Financial Target and Expenditure on ST - FY 2011-15	69
Figure 34 : Financial Target and Expenditure on ST - FY 2011-15	69
Figure 35 : Average Expenditure Percentages of FY 2011-15	70
Figure 36 : Average Expenditure Percentages over the years 2011-15	70
Figure 37 : Number of OOSC trained - Percentage of Achieved - over the years 2011-15	71
Figure 38: Percentage of the students imparted ST vs. Mainstreamed - 2011, 13 and 15	72

Figure 39 : OOSC Projections in 2016-17	73
Figure 40 : Duration of Special Training for Classes 2, 3 and 4 in one DURC, Delhi 2015-16	75
Figure 41: Duration of Training (Months) for Classes 6, 7 and 8 in a DURC in Delhi- 2015-16.....	75
Figure 42: Pearson's Correlation Coefficient of Aggregated Variables versus Total Number of OOSC Trained	78
Figure 43: Pearson's Correlation Coefficient of Aggregated Numbers of Schools versus Total Number of OOSC Trained	78
Figure 44: Aggregated Numbers of Education Volunteers versus Total Number of OOSC Trained (Pearson's Correlation Coefficient)	79
Figure 45: Aggregated Numbers of Schools versus Total Number of OOSC Trained (Pearson's Correlation Coefficient)	80
