

ACKNOWLEDGEMENTS

I am grateful to Dr. Roma Mitra Debnath for the guidance provided for my research and dissertation writing. Her research experience and deep understanding of the use of statistical methods in research proved to be invaluable and have ensured that research was completely focussed and of high quality.

I would like to acknowledge and thank Shri Vijay Kumar, Executive Director (ME)/Infra, Ministry of Railways, Railway Board, Shri Amitabh, the then Chief Rolling Stock Engineer/Coaching, Northern Railway for sparing time for discussions and providing valuable inputs for the research. I am also thankful to Shri Kumar Abhishek, Sr. Manager, RITES Ltd. India, for providing logistics support during the course of the research.

My sincere thanks are due to Prof Suresh Mishra, Course Director for the 40th APPPA and Dr. C. Sheela Reddy, Associate Professor, IIPA, who were extremely helpful and supportive throughout my research work.

Special thanks are due to Mrs. Usha Mujoo Munshi, Librarian, IIPA and Mrs. Sunita Gulati, Deputy Librarian, IIPA for their unstinted support in arranging the required resource materials for the research. My sincere thanks are also due to Shri Vijay Sharma, Shri Manish Rawat, Shri Rajesh Kumar and Shri Vinod Kumar Yadav in APPPA office for the assistance provided by them. Thanks are also

due to staff of the canteen, IIPA who provided their services during course of the dissertation.

Last but not the least, I am thankful to my wife for supporting me in managing large number of documents and papers which were used for this research and also for bearing disturbance in the normal chores due to disturbed schedule during the course of work.
