

ACKNOWLEDGEMENTS

I would like to express my profound gratitude to Prof. Bharati Sharma for her valuable advice, constant support and guidance in preparation of my dissertation. Without her encouragement, this study could not have been realised.

I would also like to convey my sincere gratitude to the Indian Army for nominating me for the 38th APPPA, which made it possible for me to pursue this research.

A very warm thanks to my colleagues and senior officers from the Army at the Army Headquarters in New Delhi and Army War College in Mhow for their cooperation and valuable inputs. I am also extremely thankful to the Administrative Staff of APPPA, IIPA for their positive and timely administrative support in compilation, completion and submission of this dissertation.
