

Table of Contents

Certificate by Guide/Supervisor.....	v
Acknowledgments	vi
Executive Summary.....	vii
Abbreviations Used.....	ix
Chapter 1 Introduction.....	1
Indian Railways: Background	1
Challenges in Freight Operations.....	2
Statement of the Problem.....	7
Objective of the Study.....	8
Research Questions Being Answered.....	9
Delimitations & Limitations of the Study.....	10
Research Methodology.....	11
Summary.....	12
Chapter 2 Review of Literature.....	14
Historical Overview of Research Literature.....	14
Research Literature in the Area Relevant to the Topic.....	14
Summary.....	21
Chapter 3 Railway Line Capacity & Throughput.....	23
Defining Line Capacity.....	23
Line Capacity: a Theoretical Concept?	25
Factors Affecting Line Capacity & Throughput.....	26
Effects of Heterogeneity & Speed Differentials on Line Capacity.....	28
Summary.....	31

Chapter 4	Conditions of Freight Movement & Bottlenecks in IR.....	32
	General Facts about Train Operations in IR.....	32
	Conditions Pertaining to Freight Transportation in IR.....	34
	Bottlenecks/Factors Affecting the Line Capacity on IR.....	35
	What are the Alternatives to Improve Line Capacity?	41
	Summary.....	43
Chapter 5	Freight Speeds & HP/TL Ratio.....	45
	Why Freight Speeds are Low over IR?	45
	Role of HP/TL Ratio in Acceleration & Speed of Trains.....	47
	Analysis of Locomotive Speed Graphs.....	52
	Summary.....	54
Chapter 6	Gains from High HP/TL Ratio & Faster Freight Trains.....	55
	Impact of Higher Speeds & HP/TL Ratio on Line Capacity.....	55
	Starting & Stopping: Energy & Line Capacity Consideration.....	57
	Gains from Running Freight Ahead of Passenger Trains.....	57
	Higher Speeds: Safety & Reliability Concerns.....	59
	Unlocking Value by Speeding up Freight Trains	59
	Appropriate Strategy.....	64
	Summary.....	66
Chapter 7	Implementation of Higher HP/TL Ratio: Issues	
	& Economics Involved.....	67
	Freight Trains & Trailing Loads in IR.....	68
	Locomotives in IR.....	69
	Implementation of higher HP/TL: Requirement of Locomotives.....	71
	Cost Considerations of Running Multiple Locomotives: Impact on Line Haul Cost.....	73

CERTIFICATE

Economics of Higher Speeds: Justification of
Progression to Higher HP/TL Ratio..... 75
From Where These Locos are Going To Come From? 76
Role of Private Sector & PPP Model for Locomotive
Manufacturing..... 79
Summary..... 80

Chapter 8 Conclusions & Recommendations..... 82

Recommended Action Plan..... 86
Summary..... 88

Bibliography..... 89

Appendix..... 93
