

## Table of Contents

<b>Acknowledgements</b>	<b>vi</b>
<b>Acronyms .....</b>	<b>vii</b>
<b>Glossary .....</b>	<b>x</b>
<b>Chapter 1: Introduction .....</b>	<b>1</b>
The 'mitigation' <i>versus</i> 'adaptation' debate in climate change.....	1
Democratic decentralisation and climate change adaptation.....	3
Climate change adaptation as a developmental issue.....	5
Local government to climate change adaptation.....	6
Addressing vulnerability to climate change requires extra efforts.....	9
Purpose of the research and key questions.....	11
Overview.....	12
<b>Chapter-II: Adaptation concepts.....</b>	<b>16</b>
Defining adaptation.....	16
Adaptation – an old concept.....	17
Adaptation in rural areas <i>versus</i> adaptation in urban areas.....	18
Adaptation and development.....	19
Mitigation in adaptation .....	21
Integration of adaptation in rural development planning.....	22
Constraints in integration of adaptation in development planning .....	23
Construction of "the risk" of climate change .....	24
Uncertainty of climate change .....	25

Combining “risk” & “uncertainty” in adaptation decision making .....	26
Integrating ‘resilience’ in climate adaptation policy .....	28
Methodology of data collection.....	29
Conclusions .....	33
<b>Chapter-III: Climate change vulnerabilities in India .....</b>	<b>34</b>
Introduction.....	34
Recurring disasters in India, and the lessons learnt .....	36
Climate change and Indian agriculture.....	39
River and inland flooding and extreme rainfall events in India .....	41
Impact of climate change on forest ecosystems in India .....	42
India’s RUrban transformation, 2000–2050 .....	44
Globalisation and climate change vulnerability in India.....	45
Conclusions .....	47
<b>CHAPTER-IV: Climate vulnerabilities &amp; learnings from disasters in ORISSA.....</b>	<b>48</b>
Socio-economic profile of Orissa .....	48
Climate vulnerabilities and major disasters in Orissa .....	51
Vulnerability Index for the eastern coastal districts of India .....	53
The 2008 Orissa floods .....	55
Learning from Orissa Supercyclone .....	57
Conclusions .....	58
<b>Chapter-V: Democratic Decentralisation in Orissa .....</b>	<b>61</b>
Panchayati Raj in Orissa .....	62

Capacity of Gram Panchayat in ushering development .....	63
Disaster management legislation and PRIs .....	65
Conclusions .....	66
<b>Chapter-VI: Adaptation &amp; Gram Panchayats – field evidences.....</b>	<b>69</b>
Climatic events in sample villages .....	69
Response to 2008 floods: relief and reconstruction .....	73
Adaptation measures post 2008-Flood .....	78
Relationship of PRI with other committees in the village.....	85
<b>Chapter-VII: Conclusions and recommendations .....</b>	<b>88</b>
<b>References .....</b>	<b>99</b>
<b>Appendices</b>	
Appendix-I: Definitional issues .....	i
Appendix-II: Exemplification of vulnerability.....	v
Appendix-III: Illustrative assessment of climate adaptation measures....	vii
Appendix-IV: Disaster management and PRIs .....	ix
