**Inside-out leadership**  
**By**  
**Rajiv Vij**

16 radical insights  
successful leaders wish  
they had discovered sooner

A large, abstract graphic consisting of multiple overlapping, wavy lines in shades of pink, red, and blue, creating a sense of movement and depth. The lines are thin and densely packed, forming a complex, organic shape that resembles a sound wave or a stylized landscape.

# INSIDE-OUT LEADERSHIP

'A seminal work that has the power to  
significantly influence your life and leadership.'

From the Foreword by **ANAND MAHINDRA**

# Rajiv Vij

**Inside-out leadership will help you discover your own greater self –both as a leader and as a person.**

**Everyone has the choice to learn, change and grow to be a better leader and every good leader can become great.**

**Great leaders know time is precious,  
and they are masters at managing it.**

**One way to deal with stress is to learn to simplify your life by actively making some hard choices.**

**Purpose will stay with you for the rest of your life. Goals change, but purpose remains same.**

**Happiness is the ultimate balancing act.**

**Visualize yourself living your plan and then capture the specific of that scenario.**

**Motivating yourself works much the same way as motivating your colleagues.**
